THE ALL-NEW ISUZU D-MAX

We are the pick-up professionals. Born and bred. We provide outstanding vehicles truly fit for purpose. For real people, with real demands.

Our invaluable experience gained over the last century is nothing but remarkable. With all our knowledge there's something quite incredible in the making.

A breakthrough in design, safety and technology, it's like nothing you've seen before.

The All-New Isuzu D-Max is soon to become reality.

THE FOLLOWING ADAS EQUIPMENT IS STANDARD ON EVERY PICK-UP IN THE RANGE:

- CRUISE CONTROL
- FORWARD COLLISION WARNING
- AUTONOMOUS EMERGENCY BRAKING
- TRAFFIC SIGN RECOGNITION
- MANUAL & INTELLIGENT SPEED LIMITER
- LANE DEPARTURE WARNING & PREVENTION SYSTEM

¹ ADAS are driving support systems which may not operate optimally under all driving conditions or for all objects. The driver is always responsible for safe and attentive driving and observance of traffic regulations. See Owner's Manual for complete details on system operation and limitations.

² Driver side has auto up/down function, with pinch protection and timer.

³ SRS: Supplemental Restraint System. Must be used in conjunction with seatbelts.

⁴ According to conditions, the Stop & Start system will automatically stop and restart the engine when the vehicle comes to a standstill to reduce fuel consumption and emissions.

⁵ Leather and other materials.
